A Look at Tonight's Game

Arthur Parkhurst, who coached the Northwestern State College football teams from 1956 through 1964, is returning as head coach this season.

The 1972 Ranger football team is expected to carry a strong offensive punch with the return of six starters from last year's crew. The running game is expected to be paced by sophomore Ron Lee, who as a freshman last season set a new school record with 1,079 yards in 10 games. Veteran quarterback George Martinez will be back for his final year with the Rangers. Martinez himself is a formidable runner, gaining 1,037 yards last year.

Darrell Smith, an all-conference tackle, returns to anchor the offensive line. Center Bill Kusik and tackle Randy Dobbins return to help Smith.

Kenny Brown, the Rangers' punter, has been tabbed for a starting job at the split end position. Brown averaged 32.8 yards per kick last year with his longest being 57 yards.

Defensively Coach Parkhurst is looking for a way to beef up his defense. He lost All-America Herschell Mosier, who played both ways at tackle last season.

Last season the Rangers handed the Tigers a 40-7 licking in Alva. The series between the two schools stands at 5-4 in favor of FHS.

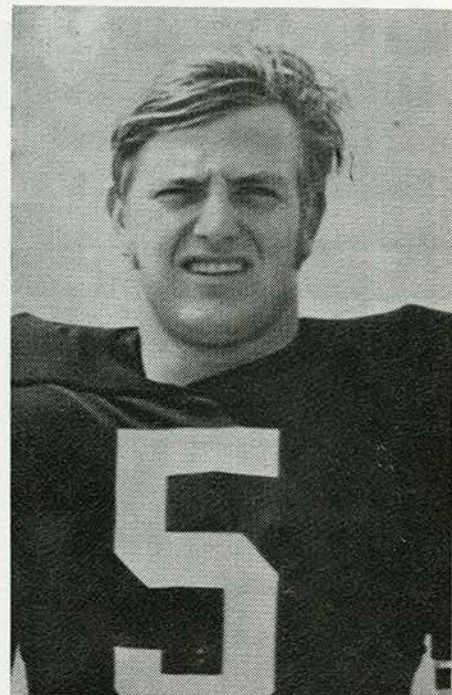

Missouri Southern spoiled the Tigers' opener last week 40-15. In that game the Tigers compiled 255 yards of total offense. On the ground the Tigers gained 140 yards and they picked up 115 through the airways.

Steve Crosby, the Bengals' junior tailback, led the ground game picking up 94 yards in 21 carries. Quarterback Bruce Hawley was second for the game with 31 yards.

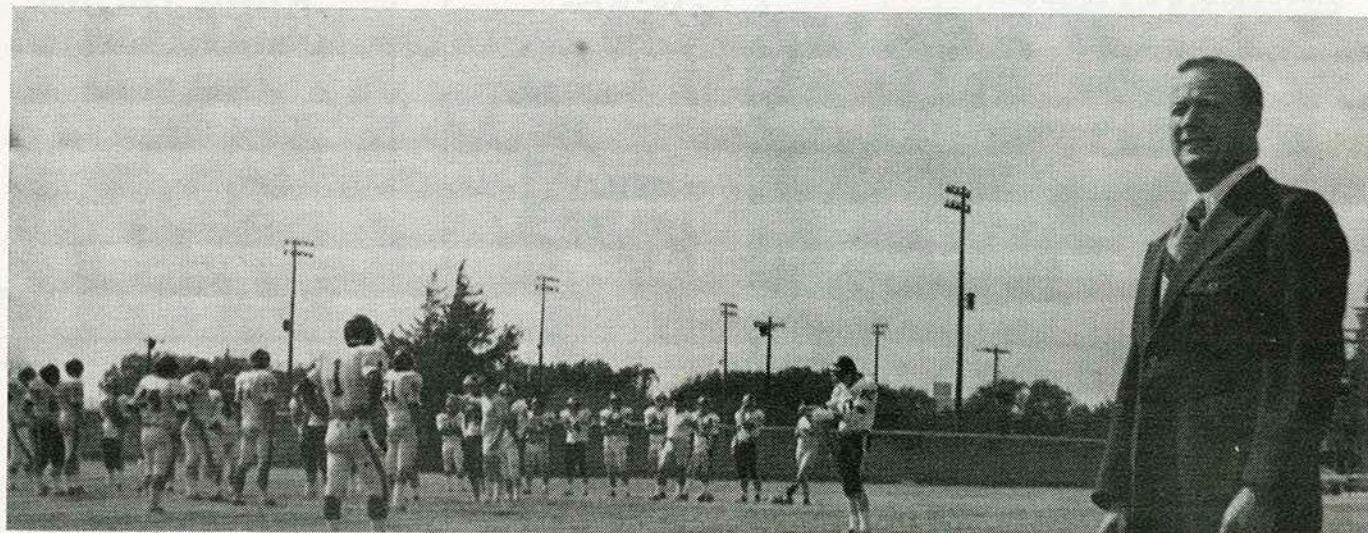

John Woodworth, the Tigers' record-setting pass catcher, took up where he left off last season, hauling in eight passes for 90 yards. Kurt Watson, the other Tiger quarterback, completed eight of 24 passes for 89 yards.

Punter Max Evans punted 10 times in the first game for an average of 42.7 yards per kick. Placekicker Mike Sobba continued his string of consecutive extra points by going one for one and raising his string to 25.

Even the toughest need protection. Shoulder pads, hip pads, helmet—with these, a player can give the game all he's got without fear of injury.

Life is much the same. Good health is important, but to get the most out of life, you need protection, too. That's where Living Insurance comes in. It can give you the security of knowing that your family will be protected, if you die. And, it can provide a reserve of funds for emergencies, education, retirement. To find out more about Living Insurance, call you Man from Equitable, today.

A LOT OF LITTLE CARS HAVE TWO DOORS. THIS ONE HAS TWO ROOFS.

Vega is a little more car than a lot of little cars.

The roof, for instance, is constructed of not one but two separate steel panels, one under the other, to add strength and quiet to the car.

And although, like we said, a lot of little cars have two doors — very few of them have steel guard beams built into them, like the Vega doors do.

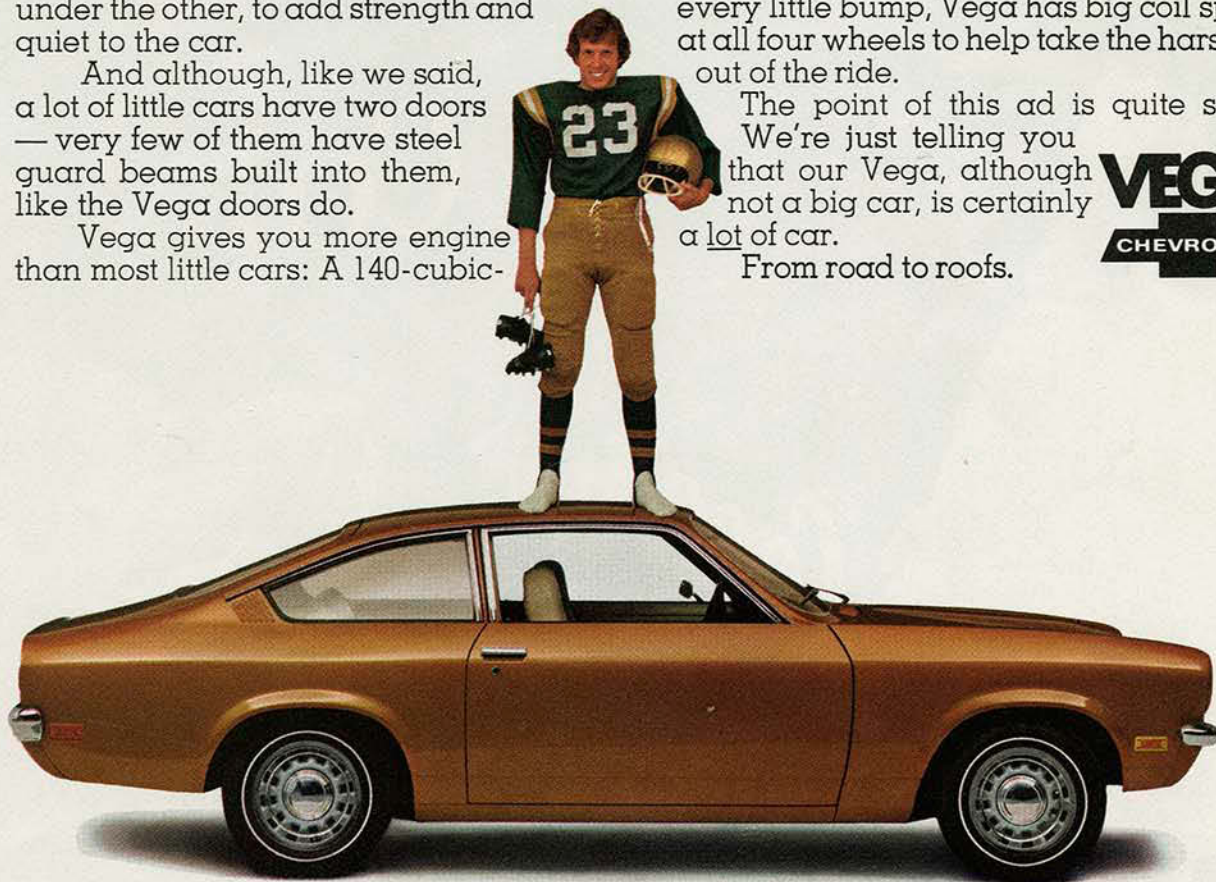

Vega gives you more engine than most little cars: A 140-cubic-

inch overhead cam four that can handle turnpike speeds quite comfortably without a lot of straining.

And where some little cars let you feel every little bump, Vega has big coil springs at all four wheels to help take the harshness out of the ride.

The point of this ad is quite simple. We're just telling you that our Vega, although not a big car, is certainly a lot of car.

From road to roofs.

Defensive Coach Jerry Cullen

If you happen to hear a strong deep voice yelling at Fort Hays State's football team, particularly the defense, you are hearing the voice of defensive coach Jerry Cullen.

Coach Cullen came to FHS this year with Head Coach Bill Giles from Chadron State College, Chadron, Neb., where he also worked with the defensive backs.

He graduated from the University of Northern Colorado in 1965 with a bachelor of science degree in Physical Education. From UNC, Cullen went to Chadron State where in 1970 he received his master's in physical education.

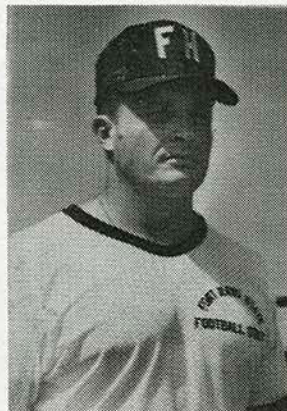

Cullen has previously held teaching positions at Arvada West High School, Arvada, Colo., St. Procopius College, Chicago, Ill., and Chadron State College, Chadron, Neb.

Presently, he fills the role of instructor of health, physical education and recreation after joining the college staff for the fall semester. Cullen holds a membership with the American Association of Health, Physical Education and Recreation.

For his master's thesis, he wrote about the "Effect of Weight Training on Body Weight and Muscle Hypertrophy" and is presently working on the "Comparison of Station Time in Circuit Training on Physical Fitness. Comparison of Delorme to Cullen Theory of Weight Training on Strength Development."

Cullen considers his home town to be Pueblo, Colo. For hobbies, he takes active participation in all types of sports.

He and his wife are members of the Catholic faith and are presently residing at 2202 Centennial Blvd.

JOE GRESNICK, Fort Hays State's goalie, looks back at the ball that had just shot past him in disbelief in a soccer intra-squad game played on the President's Field last Sunday. The soccer squad opens their schedule with the Fort Riley Soccer Club tomorrow in Fort Riley.

This year's soccer club will be out to better last season's record when they were 4-5. The team of a year ago defeated such perennial power teams as Kansas State University, as well as Emporia State, Wichita Soccer Club and the Salina Soccer Club.

Because of players lost due to graduation, there are positions open on both the offensive and defensive units. If someone is interested, please attend any Monday, Wednesday or Friday practice at 6 p.m. on the field south of the President's house.

Being selected to the Rocky Mountain Athletic Conference 1971-72 baseball team from Fort Hays State was our Tiger center fielder Rod Ruder.

Ruder possesses a strong and accurate arm from his position in the outfield but he is also a real threat at the plate. He hit .271 for the season but was also the number two man in the runs-batted-in department with 30, only two behind the team leader.

Two Tiger players were also chosen to the All-District 10 team. They were first baseman Rich Maier who hit .297 with 32 RBI's and a fielding percentage of .989 along with right fielder Ron Suppes who hit .309 for the year (second highest on the team) and also connected with seven home runs to lead in that department.

In addition of two first team members, FHS was represented with five players who were named to the District 10 Honorable Mention team. Those chosen were: second baseman and co-captain Frank Leo, Tiger shortstop Troy Rumpy, catcher and the other co-captain Pat James along with Bengal hurlers Vic Perri and Brian Bates.

All of these players were partly responsible for last year's successful season as the Tigers set a new school record for most victories in a season with 34.

MISSOURI SOUTHERN halfback Terry Starks sneaks out of the backfield for one of his seven catches in last week's action. Tiger linebackers J. D. Armstrong (53) and Gary Marvine (60) take out after Starks.

Next Action For The Bengals

One week from tonight the Tigers travel to Kearney State College for a homecoming affair at Kearney. Game time at Kearney will be 1:30 p.m. at Foster Field.

Last season the Antelopes handed the Bengals a 40-21 licking. The Tigers and the Antelopes have split the 24 games they have played to date.

Kearney lost their opener one week ago to Central Missouri State 21-14. The Antelopes are hosting Eastern Montana State tonight.

Last season KSC was led by freshman sensation Tom Kropp. Kropp, a 6-3, 236-lb. running back led the Antelopes in scoring with 36 points and rushing with 757 yards for a 5.4 yard average. He was also selected as a Nebraska Collegiate Conference first team member and was named to the NAIA District 11 first team.

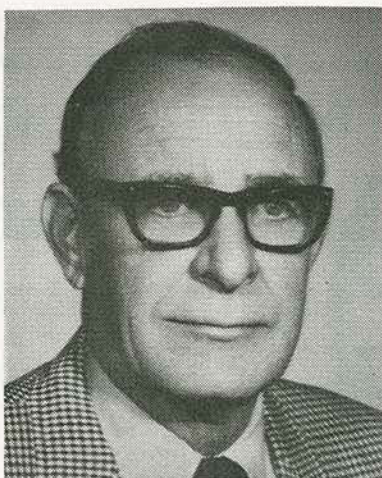

New head coach Claire Boroff reports, "We feel we've had a good year recruiting and with the addition of several transfer men, we feel we can uphold the tradition which Coach Zikmund established at Kearney State."
